Punctuality

It is essential that couples try to arrive early at their marriage ceremony location, and no later than 20-30 minutes prior to the ceremony start time. I will meet couples separately (if wished upon) to be unseen before commencement of marriage ceremony. Time is needed to complete legal documentation and to share important information that will enhance marriage ceremony experience. This is also a great time to take a big breath ... and take everything in. Please remember... no one will be rushed. However, if marriage ceremony is 20 minutes delayed or more, I may be required to leave and return at the end of the day due to other scheduled bookings.

Ceremony Format

Guidance and support will be provided if needed for bridal party placement, processional and recessional. Selection of poems, readings, symbolic ceremonies traditional vows and guidance with writing own vows will be provided to customize marriage ceremony.
